****Security Release****

Release Note:

This document provides the information about the **ZAC** v1.1.5 release.

Release file list:

File Name	Remark
ReleaseNote ZAC 1.1.5.doc	This file.
ZyXEL AP Configurator.exe	ZyXEL AP configurator Installer. sha256 checksum " ae69e9ba5267271e9b4b2db115cb36860ea90db2b0653a3e661965e2e65ef769 ".

Read Me First

1. We recommend all ZAC users update to this release.
2. To configure NWA1123-AC with ZAC1.1.0 and later, please upgrade NWA1123-AC- to latest firmware V2.00(AAOX.3)C0.
3. ZAC V1.1.0 is using private MIB to identify AP model. It may identify NWA1123-AC as NWA1123-NI when NWA1123-AC comes with firmware prior to V2.00(AAOX.3)C0.

Support Platforms:

Operation System Support

- Windows 7 32bit / 64bit

- Windows 8/8.1 32bit / 64bit
- Windows 10 32bit / 64bit
